Mariana Maia
Manager
PianOrquestra

Dear Mariana,

Having worked with PianOrquestra in Calgary at the Calgary Jazz Festival in June of this year, I would like to congratulate the group on such an inventive and enjoyable show. I would assure anyone thinking of engaging your services that your entire act is piano-friendly with absolutely no adverse effects to the piano. I would not hesitate to offer up my own personal piano of the highest caliber for use in one of your shows.

All the best,

Michael Lipnicki, R.P.T.
